

# A-20 Cell Slide

Cat. No.: 17-208

## Ψ Specifications

<b>SPECIES:</b>	Mouse
<b>TESTED APPLICATIONS:</b>	ICC
<b>APPLICATIONS:</b>	A-20 cell slide is provided for immunocytochemical analysis of protein and protein-protein interaction. Procedures for immunohistochemistry can be directly applied.

STORAGE CONDITIONS: A-20 cell slide can be stored for up to 6 months at 4° C under desiccated conditions.

## Ψ Background and References

<b>BACKGROUND:</b>	A-20 (B lymphocyte; reticulum cell sarcoma)
