

THP-1 Cell Slide

Cat. No.: RF10002-01

Ψ Specifications

SPECIES:	Human
TESTED APPLICATIONS:	ICC
APPLICATIONS:	THP-1 cell slide is provided for immunocytochemical analysis of protein and protein-protein interaction. Procedures for immunohistochemistry can be directly applied.

STORAGE CONDITIONS: THP-1 cell slide can be stored for up to 6 months at 4° C under desiccate conditions.

Ψ Background and References

BACKGROUND:	THP-1 (monocyte; acute monocytic leukemia)
